tions. resenting twelve towns in this vicinity, took the examination for census enumerators for the taking of the thirteenth census of the United States. The examination was in charge of E. A. Parent, chairman of the local civil service board. Applicants were allowed three hours in which to complete the examination. There were quite a number of local men among the number who took the examinations Saturday.

To Discuss Umpire Question. The ampire question will be one that will consume some of the time of the magnates of the Connecticut Troisey league at its next meeting Thursday at the Del-Hoff in Norwich. John J. Curran of this city, the former well though first busemen and of late years known first baseman, and of late year known first baseman, and of late years the man who has most successfully handled the indicator hereabouts, is understood to be out for the position of chief of umpires for the new league. He is just the right kind of a man for the place and has all the qualifications for a first class ump. Mr. Curran will either attend the meeting Thursday or

There was a special Russian dance that was well received, and an exhibition of club swinging by the class and by Mr. Summers alone, the latter being in town on business Saturday.

what was especially striking to the audience was the fine physical development of all of the men. Mr. Doolittie, the general secretary of the local association, announced the various numbers. A feature in connection with the exhibition was an overture by a mandolin club.

C. E. Little has been engaged as salesman for a local hardware dealer. Fred Zerver and family of Stonington were week end guests of friends in this city.

Prof. W. O. Turner attended the function of Mrs. H. M. Sweet in Manchester Saturday.
